

SAFARI: Safari is a web browser that can be used to search and save images onto the iPad.

GETTING STARTED

- 🍏 Tap app icon to open.
- 🍏 Tap inside the **SEARCH** box at the top of the screen.

IMAGE SEARCHING

- 🍏 Type into the search box an image you want to locate.
It is important to be specific, which will help filter image choices.
- 🍏 Tap **GO**.
- 🍏 Tap the word **IMAGES**.

SAVING IMAGES

- 🍏 Scroll through the images until you locate one to save.
- 🍏 Tap the image to open it.
- 🍏 Double-tap and **HOLD** the image.
It may take a few attempts to get the save/copy option to appear.
- 🍏 Tap **SAVE**.
If image will not save, take a screen shot.
- 🍏 To take a screenshot, tap the **HOME BUTTON** and **LOCK BUTTON** simultaneously.
- 🍏 Tap the **PHOTOS** icon, locate your image, and tap **EDIT** if desired.
