

# Scratch Jr Video Game

## Set Up:

- Make sure the Scratch Jr app is downloaded on every student iPad.
- Open the app on EACH iPad and “warm the iPad” meaning, get it ready for student use:
  1. Tap Allow for camera use
  2. Tap Allow for microphone use
  - 3 Tap the Green House
  4. Double tap Home Button and swipe app window up
- Teach students what Apple Up and Apple Turnover mean.
- Explain how you will give them a direction(s), show them what to do, repeat the direction(s).
- Remind kids that coding is telling a computer what you want it to do.
- Go LIVE to Scratch Jr and show them an example of the project
- Continue giving 3 directions at a time and then allowing them to complete those direction before moving on.

## Video Game:
